EDUCATION AND PUBLIC HEALTH DEPARTMENT (F2)

G.O. Ms. No. 3672, Public Health. Dated the 2nd November 1948.

Read:-

From the Director of Town Planning, L.Dis.No. 2811-48 dated 14.7.1948.

Order:-

At the 15th Conference of the Registrars of Co-operative Societies, it has been recommended that in all schemes of Town-Planning, a definite place should be given to Co-operative Housing purposes and that specific areas should be reserved for people belonging to low or middle income groups, grouped into co-operative housing societies. The Government generally accept the above recommendation.

2. The reservation of lands for the purpose mentioned above can be made either by legislation or by the acquisition of the lands outright. The Town-Planning Schemes may therefore provide for the reservation of suitable/with reference to Section 4(L) of the Town Planning Act, so that the sites reserved under the schemes may be acquired and then assigned to co-operative building societies. The Executive Authorities of all Panchayats and Municipalities and the Commissioner, Corporation of Madras, are requested to consider the question of providing for such reservation of sites when they draw up town-planning schemes in the future.

(By Order of His Excellency the Governor).
